Kiln firing service

Prices are determined by size, number of pieces and fragility of work and covers loading and unloading (guest artists are expected to be present during loading to advise), kiln programming, maintenance, and electricity. **Bookings are confirmed by advance payment**.

A firing takes up to three days to complete. Delivery and collection days and times are arranged upon booking.

Volume of Work approx.	**Firing Temperature**	
	Bisque (1000-1099)	**Glaze (1100-1260)**
Medium Kiln (Cromartie) *Maximum size of work/internal dimensions: 60cm D x 40cm W x 64cm H*	£120.00	£145.00
Small top loader Kiln (Kittec) *Maximum size of work/internal dimensions: 38cm Dia. x 29cm H*	£70.00	£85.00
Desk space for glazing on site - up to 3 hours	£50.00	
There is a **£20.00 deposit** which secures booking in the calendar and covers late cancellation (up to 48hrs before date of firing).		

In the event of any damage to the kiln or kiln furniture caused by the guest users/hirers use, it will be the responsibility of the guest user/hirer who will be charged for repair or replacement. **Cultivate Artists Studio will take every care but cannot be held responsible for any incorrect or unsuccessful firing, whatever the cause.**

No combustibles, full disclosure of materials/clay/glaze etc. to be used by guest users and **Cultivate Artists Studio reserves the right to veto.**

Guest user/ kiln use: signed agreement needed before commencing

Protocol for kiln firing service for guest users:

- Guest user/kiln use booking form to be completed in full and proposal/image of work attached and send via email to cultivateartiststudio@gmail.com
- Cultivate Artists Studio will review requests and email invoice/quote if agreed by all long-term studio members.
- Guest user/ kiln use: signed agreement needed before commencing booking.
- Booking is confirmed by advanced payment, Delivery and collection days and times are arranged upon booking.
- Loading Kiln: guest user/ hirer is expected to be present during loading to advise
- Glazed work must be fired on a batt to prevent damage to the kiln furniture (guest users/hirers are liable for any damage to the kiln or furniture caused).
- Collection of work must be on the date agreed or guest user/hirer will be charged the day desk rate for storage.
